## Lots of Fun During Boys and Girls Club Week By: Danyelle Butt

Dog and Burger was a hit the night our members performed a dance on D'Iberville Civic Center's stage. There was a silent auction, which the parents enjoyed. Mrs. Alicia was jumping up and down when she won a party for 8 at Monkey Joe's for \$45. Some lucky guy even won a washer and dryer!

The pony rides were very popular and the bouncy houses were being jumped on more than ever! Later on, the D'Iberville Police Department demonstrated how their K-9 would attack against a

running criminal, the guests enjoyed this. When the night was beginning to be over they flew away in their helicopter.

Ringling Bros. & Barnum Bailey came and showed the members their talents in the circus.

They performed illusions and juggling skills with the members. As the members sat in the bleachers and watched "Sherry's" head growing and shrinking with an optical illusion the members were amazed. It also introduced the Circus Fit program which will be implemented this summer.

The parents vs. kids Dodge-ball game was a very exciting event. There were kids on one side of the gym and the parents on the other. The parents at the beginning of the game were giving into their kids, the second game you could really tell the parents were showing their competitive side. After several games of the parents defeating the kids, they let the kids play each other. This was a good way for the parents to connect with their kids. There will surely be a next time for the next parents vs. kids dodge ball game.
