Summer is Here and It's HOT!

Welcome to the IP Center at North Bay! While we are not in our new building yet, we are happy to be here at D'Iberville Elementary School. We will be moving this summer, and expect to be in the new building Tuesday, July 6th.

Our ribbon cutting ceremony will be on Wednesday, June 30 from 5:30 to 7:30 pm. The IP Casino and Spa will provide shuttle service to and from the new club from the D'Iberville Elementary School parking lot. All club members and their families are invited to tour the new facility.

Need Some Extra Help? We Have It!

This year we will once again have services that enable us to meet club member's emotional needs through a partnership with BGC's New Hope Program and Memorial Behavioral Health. The scope of this partnership is preventative in nature, especially with the many stresses that children and their families face today.

New Hope Behavioral Facilitators and Specialists will work with club members experiencing behavioral, emotional, cognitive,

We are looking forward to a safe and fun summer. Please remember to:

- Park in designated parking spaces ONLY- this is for the safety of the children.
- Sign your child in and out every day
- Ensure your child is wearing socks and tennis shoes and in proper summer attire.
- Children must be checked in before 9:00.
- Sign permission slips for field trips the morning of the trip. Your child's group is the grade that they have just completed.

or physical challenges while at the club. During the school year, New Hope professionals work in six different school districts along the coast providing not only hope and opportunity, but success in the classroom. The program which was founded in 1997 by Jerry O'Keefe, merged with Boys and Girls Clubs of the Gulf Coast in 2006. The program continues to expand its services into new schools every year. A marriage and family thera-

Monthly field trip calendars and weekly activity schedules are posted and/or available at the office. Please note that field trips are subject to change, especially outdoor trips that are contingent upon good weather. Field trips will be rescheduled whenever possible.

Also remember that free breakfast is provided between 7:30 and 8:00 am. Summer is extremely busy. We have more than 100 new/summer only members and it takes a while to get to know them all, so please be patient during check in and check out. We are averaging close to 300 members per day.

pist from Memorial Behavioral Health will also provide therapy services for club members and their families. Club members and families experiencing difficulties or challenges are encouraged to take advantage of this FREE and CONFIDENTIAL service. Services are provided on site during club hours throughout the seven week summer program. Referral forms can be obtained from the office.

Takenna Thomas Youth of the Month

Our Youth of the Month is Takenna Thomas. Takenna is in the 8th grade at D'Iberville Middle School and joined the Boys and Girls Club this year. She hopes to one day attend Howard University and become a dermatologist or pianist. She is also considering serving her country in the military. Takenna likes to help out around the house and volunteer at her church. She is also a member of the Torch Club and has had a lot of fun working PPP and at the Newk's fundraisers. Takenna believes she has the power to do whatever it takes to be successful and accomplish her goals.
