Summer, Summer, Summertime !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Summer is vastly approaching and camp will be here before you know it. Parents, please remember that club hours are from 7:00 am until 6:00pm. The members are to be in the club by 9:00 am each morning, in order to be counted present on that day. If a member is late they will not be allowed to attend the club after that time or participate on a field trip on that day. Because we are a 21st Century Learning Center we will still be required to run session during the week. This also helps the members, because during the summer kids tend to forget some things and once they return to school teachers have to go back and teach the basics. So, were trying to avoid some of those simple things for the upcoming year. So far our requirements are being met and we hope that you will continue to support your club, it's members and it's process in taking steps in the right directions.
