

BOYS & GIRLS CLUBS
OF THE GULF COAST

Forest Heights Unit

Volume 1, Issue 3

January 2010

Dates to Remember:

PARENT MEETING	January 13
First Family	Every Thursday
Torch/Keystone Meeting	January 12
From Boys to Men Workshop	January 16
Club Closed/ Feed My Sheep	January 18th

Starting this month, we will begin our MCT prep training with 25 members of the club. Boys and Girls Clubs of America places strong emphasis on academic success and this will definitely enhance the academic achievements of our members. This is a great opportunity for the members and a new beginning for the new semester. Students begin taking this exam throughout the state of MS starting in third grade and we want to make sure they are prepared. We will work with the selected club members daily to ensure they are receiving the maximum amount of possible training. We encourage you as parents and guardians to do the same. **Let's work as a team to ensure success!!!**

LIVE THE DREAM!!!

My time working at the Boys & Girls Clubs of the Gulf Coast has been a great experience! I enjoy working with all the children. What I enjoy most about working at the club is the experience with all the children. I enjoy being able to make a difference in their lives. Working at the club, I realized the difference I can make in the community and in the lives of the children. It means a lot to me to be able to be a positive role model in the lives of all the children that attend the club. If by working at the club I can make a difference in one child's life, I'll feel like my job here has been accomplished. Being around the children daily has improved my outlook and attitude about children and being patient with them. The past few months here have been wonderful and unforgettable. This experience has caused me to become a better person overall.
