Walking the Red Carpet

Members had the opportunity to have the spotlight on them as they entered to start Summer Camp on June 1. They were greeted by staff welcoming them on the red carpet. They posed with the Oscar and smiled as the cameras flashed as they walked down to their classrooms. Each class planned activities to highlight each member's unique talents and achievements they posse and shared with their peers. Each week members will have the opportunity to participate in the weekly themes of the Summer Camp program. We encourage everyone to participate and have fun this Summer.

A HEALTHY SMILE

Oral health plays a very important role in a child's daily life. Through the collaborative efforts of Barnes Family Dentistry and the Boys and Girls Clubs of the Gulf Coast, members will have the opportunity to receive free dental care. The mobile dental outreach program will provide basic oral hygiene for members during the summer program for one week. For more information, please inquire in the office. If you would like your child to participate, please complete a form and turn in.

To enable all young people,
especially those who need us most,
to reach their full potential as
productive, caring, responsible
citizens.

We are on the web!
www.bgcgulfcoast.org

PARENTS

We are asking for donations of bottled water, cups, sunscreen, and other items to help keep the members safe from the harmful sunrays. Between the hours of 11:00-2:00, members do not venture outdoors because this is the hottest part of the day. Staff has planned activities for them if they are not on a fieldtrip. We have coolers of ice to help quench their thirst and cool them down. If you could please assist us in this important matter we greatly appreciate it and thank you in advance.

CONGRATULATIONS
TO OUR YOUTH OF THE MONTH
AJ Signorelli
