and Girls Clubs of the Gulf Coast.

YOUTH OF THE MONTH

Baylee Felty is an exceptional 5th grade honor roll student at D'Iberville Middle School. Baylee wants to further her education by attending college but has not decided which college she would like to attend yet. She helps her parents around the house by doing chores and goes to church with her family sometimes. Baylee is an active community clean-up volunteer and a homework helper to other members at the Boys & Girls Club. Her life goal is to become a veterinarian to help animals that are sick, and misused. *"I come to the Boys & Girls Club because I enjoy it. I enjoy meeting new people, having fun and relaxing with my friends. I also like coming because I meet all types of people with different backgrounds and culture. I love my Boys & Girls Club because it's a fun place for me to be."*

George Ohr Museum Visit

IP Center at North Bay Boys & Girls Club is a **21st Learning Center**. What does that mean for us? It means that we are enhancing educational services for members by providing tutoring. The focus of this program is to provide enrichment opportunities for children offering tutorial services and academic enrichment activities. They are designed to help members meet local and state academic standards in subjects such as: language arts, reading and math.
