January's Youth of the Month is Deavol Hinton !!

Deavol is a sophomore at Pass High and a member of the Club's Keystone Pirates. "Before coming to the Club, I didn't help other people and I had a bad attitude," she says. Since being at the Club, staff will agree that Deavol is one of the most respectable, responsible, and reliable members here.

Our history... This month, as we focus on the struggle, the hope, and the triumph that characterizes African American history, let us not forget that it is but a thread that runs the length of U.S. history. Let everyone remember, as we move forward, that yes, we are black and proud, but we are also American.

Happy Leap Year! Did you know...

Every year, January 1 and December 31 (the first and last day of the year) fall on the same day of the week? Unless, of course, it's a Leap Year!
