Staff of the Month (as voted by the kids)

Mrs. Christine Hunter

She is an inspiration to all no matter what we do she believes in us more than we sometimes do ourselves. She is

the Kindergarten instructor. Her job mostly consists of showing the younger and older members they are appreciated and that a person is a person no matter how small. She inspires us to do the

right thing and that our world is a caring and loving place.

WE LOVE YOU

Annoyed Santa

Kids and Christmas

As the all to true comic shows, children have no fear of rejection when it comes to Santa. Christmas is a time to appreciate what you have and what you can give than what you want versus what you need.
