## Lanie Marshall: Her Rise to Fame

Lanie Marshall is a fourteen year old with a passion to take a stand in the music and television industry. She has been involved in several BGCGC Qatar Center at Pass Christian talent shows. Her humble and positive attitude about the future is the making of a great star. Earlier this year Lanie entered a video of her singing into a National Boys and Girls

Club talent contest and brought it home with pride; she is still waiting on the results of the competition. Her mother says that since Lanie was little, she would point to the TV and say, "Mommy, I am going to be famous." Well Lanie, there is no doubt in our minds that what your dreams your will come true. Congratulations on your success.

### A Picture is Worth a Thousand Words

The saying, "A picture is worth a thousand words", is internationally known. Pictures can show pain, experience, and happiness. The children of the BGCGC Qatar Center at Pass Christian set out to find what truly meant something to them and captured it. The range of talent and photographic moments are never the same. As a whole, the participants in the ImageMakers National Photography Contest described their work as "We are all different." The members never cease to amaze anyone who slows down and takes a look at what they can do.

**Congratulations to all who participated in the ImageMakers National Photography Contest!**
